

Aruba Bank honors their partners with a year-end party at Texas de Brazil restaurant

This has been a banner year for Aruba Bank, as they have issued more car loans than ever, and the management knows that this would not have been possible without the cooperation of their partners, the car dealerships of the island.

In gratitude and camaraderie, management of Aruba Bank and the owners and employees of the island car dealerships celebrated this profitable partnership with a gala gathering at the Texas de Brazil restaurant in Palm Beach. Elegant drinks with glowing ice cubes and elegant snacks from the restaurant's famous collection of grilled meats on a skewer tempted the partygoers as they waited in anticipation for the announcements of the top producing dealerships and salesperson of the year.

2005 is the first year that Aruba Bank was actually awarding a "trophy" for the top producers in the field of car sales, and the awards were beautiful globes inlaid with semi-precious stones.

Various managers from the Aruba Bank loan department did the honors and taking home a trophy they can display proudly was David Theysen of Stern Motors as the #1 producing dealership on the island, along with their sales representative Gershom Oduber taking the trophy for #1 salesperson of the year. For their "Hurricane Season Sales Event" R.E. Irausquin and Sons won the trophy for "Most Creative Campaign." Every year Aruba Bank celebrates their success, and as this year draws to a close, they acknowledged those that worked with them to make it their most successful year to date. They wish congratulations to all the winners, and declare their deep gratitude to all their partners.
